

Dear Friends and Supporters of the NACA,

As the year keeps rolling on, we are getting closer to our National Show in September. We understand that there is a lot going on in this world right now, but we also know some kind of normal needs to return. That is why we are asking for your support at our 2020 National Show in Gillette, Wyoming. Whether it be a financial donation, a share on our Facebook page, or sending interested folks our way, we are asking for your support this fall. The National American Corriente Association has been preserving the Corriente breed for over thirty years. Gillette, Wyoming was where the first cattle show began and continues to produce a show every year. The National Show has moved throughout the United States to different locations, this year we chose Gillette as the National Show location.

The Corriente breed is the “Original Cattle of the Americas” Our association is a purebred registry and our members continue to breed and raise animals that have the genetics of yester year. These high quality animals are used in performance events-team roping, steer wrestling, team penning, etc. They prove time and time again why they are the choice for bulldoggers and team ropers. Durability, agility, stamina, consistency are words that describe these animals when they do their job. And after they do their job in the arena, many are fed out and produce the very best lean meat for our consumers.

Our association has around 450 active members. We produce several shows a year that members can “enter” their best livestock. We would love for you to share with us the passion, vision, and excitement on the preservation of this breed. With your help, we can produce these shows that promote the Corriente Breed and to preserve them for years to come.

If you have any questions, please reach out to one of our Board of Directors, or the national office. And remember your advertising is spent here in the United States and it is used to promote the “Original Cattle of the Americas”

THANK YOU FOR SUPPORTING AMERICAN RANCHERS!

**North American Corriente Association
National Show
at the Cam-Plex in Gillette, Wyoming
September 14-17, 2022**

SPONSORSHIP LEVEL GUIDE

***Bronze Level:* \$100**
